## Mark Johnston Resigns from Board

Mark Johnston has resigned his position as a Director of the Edgewater Condo Association due to health issues and family obligations. Mark has been an integral member of the Board for over two years and we all sincerely appreciate his contribution over that time period.

Mark's term is not due to expire until June 2013. To fill his position the bylaws require a special election, therefore we are looking for volunteers who are interested in serving the remainder of his term. Any interested owner willing to serve is asked to call or write to Rick Clawson at 716-326-2186. Please contact Rick on or before January 31, 2011. We will then notify all owners via mail of the ballot of candidates, ask you to vote and hold an election meeting to determine the results. The date will be determined shortly after January 31<sup>st</sup>.

## Payment Coupon Books

The 2012 Payment Coupon Books were mailed to each homeowner the week of December 19. If you have not received your book by now, please call Rick at the office. All homeowners are asked to keep their contact information current.

## Wine and Chocolate Weekend February 17-19

For nine years, the Lake Erie Wine Country, formerly the Chautauqua-Lake Erie Wine Trail, has been celebrating Valentine's Day during the first weekend of February – recognizing that most people have special plans for the holiday itself. The multiple wine and chocolate pairings offered by the wineries offer good opportunities for attendees to test the theory that wine and chocolate “go together”.
