## **Spring Cleanup Begins!!**

After a long, snowy and frigid winter, the cleanup begins!! The maintenance crew is back at it, picking up, readying equipment, and making repairs to the grounds.

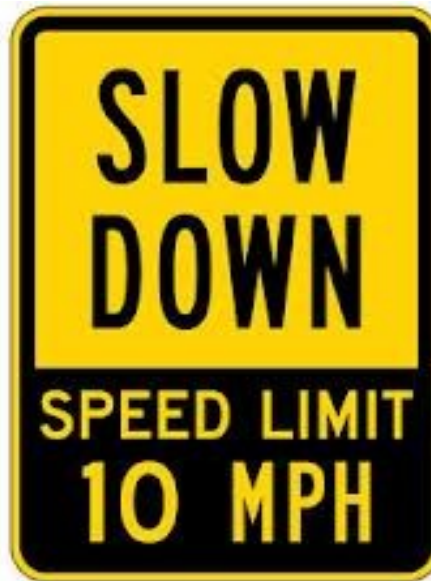

If you need help with something, or have an area of concern, feel free to contact Rick at the office. Please do not bother the maintenance crew with concerns or complaints.

### **Think Memorial Day!!**

Sure, it's cold out, and sure, we may have to break through the ice, but rest assured, we plan on having the pool open by Memorial Day!!

### **It's that time of year again!**

*If you are interested in running for the Board of Managers, or serving on the nominating committee, please contact Janet Greene at the number listed below.*

### **Parking Tags ...**

All owners and occupants are required to fill out a parking permit application. Each vehicle parked on the property shall have an Edgewater parking sticker or guest tag on their vehicle at all times. Stickers are to be placed on the forward facing side of the vehicle's inside rearview mirror. Guest tags may not be used for more than 30 days.

If you have already filled in an application, you may stop at the office and pick up your tag(s). Otherwise, stop and fill out an application.

Beginning April 15 we will periodically patrol the parking areas. Residents are allowed to park ONE of their vehicles in front of their building; other vehicles are to be parked across from the buildings in the overflow parking areas.

*All visitors and relatives are required to park across from the buildings, even if they are "only here for a minute".*
